

HELLO APRIL !

My name is Amelia and I am 14 years old. I live in a small village – Grobla. I go to Primary School in Koszuty. It's also a small village. My hobbies are dancing and body exercises. In my spare time I read wattpad books, cook sweet snacks and browse social media. What do you do in your spare time?

In Poland we celebrate Palm Sunday. It takes place a week before Easter. We bring palm trees to the church, the priest holds them and then they are blessed. This is to make our family happy. What are your Easter traditions?

Sending my warmest Easter greetings
to you and your family.

Happy Easter!
