

## Monster smuggler

Imagine a busy market place
What could you see?
What could you hear?
How did you feel?
What were you buying? Why?
You saw a person who made you suspicious...
What did he/she look like?
What was he/she doing that was suspicious?
He/she took a big box form a car and hid the box in his/her lorry...
What was in the box? Was their any sign/noise that made you suspicious?
What did he/she do after that?
How did you feel?
What did you do?
How did you feel at the end?

- students use questions in past simple
- interview each other [speaking]
- students write their own story

What do you think?
