- ✓ **KSZTAŁTOWANIE POSTAW OTWARTOŚCI, TOLERANCJI I CIEKAWOŚCI WOBEC INNYCH KULTUR.**
- ✓ **NAUKA PRZEZ ZABAWĘ Z WYKORZYSTANIEM METOD STOSOWANYCH W SZKOŁACH BRYTYJSKICH (STORYTELLING, DRAMA, PROJECT- BASED LEARNING)**

Dear Miss Priestman,
 Sorry for waiting, but I have been ill recently.
 For now three students would like to present themselves, they are Agata, Lena and Milena from grade 6. They have prepared special pictures showing them and what do they like.
 Please see the attachments :)
 Our school is now getting ready for Christmas. We would like to show you what we have prepared for school Christmas Fair and how the school hall look like.
 Hope you are all ok :)
 Take care
 Monika

 Good afternoon,

My name is Nicole Priestman and I am the Year 6 teacher at Northgate Primary School in Bridgwater.

My class would love to correspond with you and your class to learn more about each other's cultures and education systems.

My class consists of thirty 10 and 11-year-old boys and girls. We have one young man whose family originates from Poland, and he is beginning to learn to speak, read and write basic Polish, so if you could include some simple sentences for him to translate for the class, that would be great.

Shall we begin by writing a letter to your class which I can scan in and send to you?

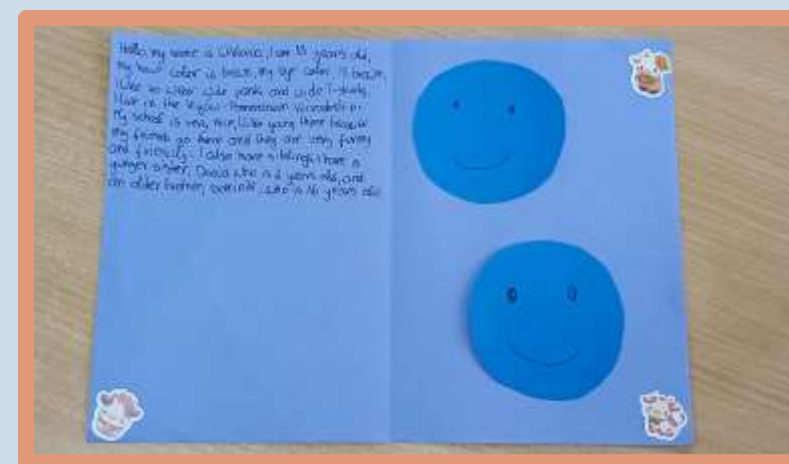

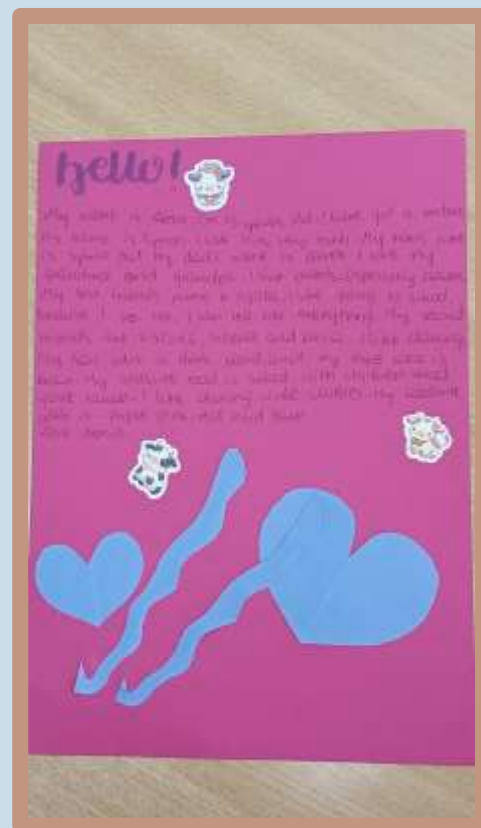

I hope you are well and look forward to hearing back from you.

Kind Regards,

Miss Priestman

Good Afternoon,

Apologies for the delay in replying.

Thank you for taking the time to contact us and exploring the possibilities for communication between our schools.

I have spoken with my staff and we would very much like to establish connections between the 2 schools.

I can confirm that our Year 6 pupils, ages 10-11 will be starting to write messages and start the process of getting to know your children next week.

Thank you

Best wishes

Katie

Good afternoon,

Thank you for sharing what your school looks like for Christmas; we have attached some photos of our school as we are also getting ready for the festive season.

After the Christmas break, two children from our class will introduce themselves to you. We will send pictures of their posters in January. We return to school on Monday 6th January. When do you all return to school?

Our class is called Franklin Class and we are 11-year-old children. We have 30 children in our class. How many children are in your class? We also noticed that you are not wearing a school uniform. At our school, we all wear the same uniform; we have attached a photograph to show you.

The children in Franklin class would like to know what your school day looks like. What time do you begin and end school? How many lessons do you have a day? How long do you have for break and lunch? What subjects do you study?

Kind Regards,

Miss Priestman and the children of Franklin class.

Hello,

Unfortunately, we are unable to open the picture files you have sent us.

The children in my Year 6 class, of which there are 30, are preparing some posters about themselves which I will send through once ready. I will send 6 at a time across the rest of this academic year so you can learn about each child in the class.

Thank you for the information about your school; we found it very interesting.

We are currently preparing for our SATS assessments which take place from Monday 12th May - Thursday 15th May. The children have to sit tests in Spelling, Punctuation and Grammar, Reading and Mathematics. Do you do any statutory testing at your school?

Kind Regards,

Miss Priestman and the children on Franklin Class
